

# Simmers International Garden Seed

2700 - AMARANTH Red Garnet

2705 - ARUGULA Wild Roquette

2715 - BEAN French Horticultural

2720 - BEAN Golden Butterwax

2725 - BEAN Provider

2730 - BEET German Lutz

2735 - BEET Rainbow Blend

2740 - BEET Robin Hybrid Baby Beet

## 2700 - AMARANTH Red Garnet

*Mexico* 90-120 days. Leaves can be used fresh or cooked; the seeds harvested for grain. Plants to 2m (6'6") in height.

## 2705 - ARUGULA Wild

*Italy* Make multiple sowings every two weeks May-June & again in Sept. Deeply lobed leaves have a pungent aroma and an intense peppery bite.

## 2715 - BEAN French Horticultural

*France* 57 days. Bush. Pick green pods 15-17cm (6-7") long for fresh snap beans. Mature pods are mottled red/yellow. Mature beans dried for baking and soups.

## 2720 - BEAN Golden Butterwax

*USA* 55 days. Bushy sturdy plants 45cm (18") tall produce bright yellow 12.5cm (5") long pods. Excellent fresh.

## 2725 - BEAN Provider

*USA* 52 days. A good choice for less than ideal growing conditions. Pods are 15cm (6")

2745 - BROCCOLI Early Purple Sprouting

2750 - CABBAGE Brunswick Sauerkraut

2755 - CABBAGE China Express Hybrid

long and quite straight.

## 2730 - BEET German Lutz

*Germany* 60 days. Ideal choice for Borscht. Deep red, sweet, globe shaped beet. Prized for its tender leafy tops. A good choice for soils that are less than ideal.

## 2735 - BEET Rainbow Blend

*USA* Grow a healthy rainbow of tasty beets. Contains: Detroit Dark Red, Burpee Golden Beet, White Albino Beet and Chioggia Beet.

## 2740 - BEET Robin Hybrid Baby Beet

*USA* 30-60 days. Sweet dark red, uniformly shaped roots up to 5cm (2") in diameter. Harvest early for baby beets.

## 2745 - BROCCOLI Early Purple Sprouting

*UK* 150 days A cool weather sprouting broccoli. Many small purple florets produced in early fall. Start indoors mid-spring for transplanting later.

## 2750 - CABBAGE Brunswick Sauerkraut

*Germany* 65-80 days. Very cold hardy. A somewhat flattened drumhead variety producing dense, tightly formed heads up to 3kg (6.6lb) or more!

## 2755 - CABBAGE China Express Hybrid

*Japan* 65-80 days. Attractive, tightly packed barrel-shaped heads weighing around 2kg (4.4lb). Crisp bright white and rich green leaves have a pleasant mild taste.

All packets \$2.95
