Who is Sid Seedy?

Sid Seedy is an old friend that has been on an extended vacation. Sid Seedy was a common sight when savings could be had back in the 1960s and 1970s. After almost fifty years away, Sid Seedy is back with tremendous savings for 2024! Sid Seedy is a happy grower looking to let you know about the best deals on garden seed.

- **Sid Seedy doesn't believe in fluff, muss, and touchy-feely over-priced seeds.**
 - **Sid Seedy has dirty hands and looks out for family and friends.**
 - **Sid Seedy *knows* what Sid Seedy owes for what Sid Seedy *grows*!**

At OSC Seeds we are committed to providing you, the grower, with high quality seed at fair prices. We offer nothing less than what Sid Seedy expects of us.
